Tell Your Community About Your Events

Neighbors Portal is a great tool you can use to raise awareness about local crime and safety events, especially National Night Out (NNO) coming up on Tuesday, August 6th. Posting about local events can help drive resident attendance and increase engagement with your community.

Keep your Post simple and local by including the date, time and location of your event to target users within that specific area.

Post About Your National Night Out

Sandy City Police Department - Post Example

Don't miss an opportunity to engage with your community.

Encourage residents to attend your upcoming local crime and safety events.

This email is not spam. Everyone please take a minute to actually log in and create an account. As of now there is nothing else really required of patrol this will basically be an investigative tool for requesting video from residents for us. With that said the Chief wants everyone to at least be able to log in for now and be set up. You can however feel free to log in and check for anything interesting when you are bored but just be aware that there is not a training portal so be careful what you click on. I would also suggest just creating a shortcut on your desktop in the event you need it in the future. Any questions feel free to stop by or reach out.

Good Morning Chatham PD Team!

My name is Anthony Modestine, I am the department's coordinator with the Ring<>Chatham PD Partnership. Your department just gained access to our Law Enforcement Portal. Everyone on this email also received access to the Portal and should have received an email from No-Reply@ring.com. Please create your account and Email/Call me if you run into any issues.

Below is a guide to get started which includes directions on creating your account, key takeaways from the training, and your unique department link and promo code for special law enforcement offers.

Neighbors App - The Neighbors App is Rings Digital Neighborhood Watch for your smartphone. You do not need a Ring device to share information, any third-party camera system can upload content.

Portal: Neighbors Feed - This section of the Portal is where LE is able to see all the voluntarily shared information neighbors are sharing to the Neighbors App.

Video Requesting - Ring will reach out to Ring users on your behalf to assist when the department has ongoing investigations. Please reach out to the Head Detective if you have access to this portion of the Portal to learn more.

Creating an Account

**Please access the Neighbors Portal using Firefox or Chrome. Internet Explorer is not compatible.*

1. Check your inbox for an email from Ring Team
2. Click the **Join Portal** button
3. Follow the prompts to create your account

Key Takeaways

- **Example (Ring Team Modestine - Chatham Twp PD)**

- B) Law Enforcement Post - Neighbors will see the Name of the Department
- **Example (Chatham Twp PD)**
- Here are some examples that should be posted.
 - Ex. BOLOS, PSAs, 9 pm Routine, Success Stories, Missing Person, Scams, Events(Community Watch, Coffee w/ Cop) and **every time you send out a Video Request.**
 - If looking for information please make sure to put in a contact number or email that neighbors can reach out.
